Notable features:

Numbers 116 and 118 seem to have been rebuilt but are rather early houses. Number 130 is a small wooden stable building which seems to be in fair condition and varies the street facade in an interesting way. Numbers 124-130 are well maintained.

Environmental context:

Numbers 120 and 122 are vacant. Amity Street is quiet, away from traffic, has very pleasing scale both house-to-house and across-street.
